

## SWEET DREAMS

By Joan Spector

Is there anything more soul satisfying than a sound night's sleep? That's a question Brickell Mattress takes very seriously, proudly providing a one-of-a-kind Couture Collection of the finest and most luxurious mattresses available on the market today. Located in the heart of Miami, the new "Brickell Mattress Sleep Center" is a unique shopping experience with experts available to answer your every question and help you with your selection.

Looking for the best of the best? A more restful tomorrow can begin tonight on a fabulously comfortable and luxurious, handcrafted Vi-Spring mattress, available exclusively at Brickell Mattress. The British brand's founder, James Marshall, pioneered the pocket spring in 1901, beginning more than a century of manufacturing profound comfort and an unparalleled level of craftsmanship. These mattresses have an illustrious history, including their use in First Class cabins on the Titanic.

Today, the company offers eight extraordinary designs that utilize only 100 percent certified natural materials and are designed to last a lifetime. "Masterpiece," the zenith of the collection, features a lush, 100 percent cashmere cover that provides comfort and

a warm embrace unlike any other bed in the world. Each Vi-Spring mattress is handmade with customizable support systems. Depending on your size, proportions, preferred sleeping positions and possible health issues, Vi-Spring will match you with the support system that will provide you with perfect orthopedic alignment, pressure-point relief and everlasting cooling comfort.

The Vi-Spring collection utilizes only natural materials such as the finest British fleece wool, mohair, silk, horsetail from Austria, horse hair from South America, coconut fiber, calico pockets, organic cotton, bamboo and more, as well as superbly responsive, heat-treated vanadium wire springs and plush designer coverings. Priced from \$6,000 to \$40,000.

Seize the day, or rather the night, with a Carpe Diem mattress, another of Brickell Mattress's exclusive brands. The Swedish manufacturer's philosophy centers on quality rest that rejuvenates the mind and soul as a means of taking full advantage of life's most exciting adventures. Handmade with meticulous care by Swedish artisans, only the highest quality materials are used, such as New Zealand wool, finest organic cotton

and natural latex, assuring that you will be enveloped in a cool, clean environment each night. Each mattress has four different tension levels, ranging from soft to extra-firm, and you can also select the fabrics and covers of your choice. Available in seven custom designs, priced from \$7,700 to \$30,000.

If you are looking for a scientific approach to sleep, then BioVital Sleep Systems is the mattress made for you. This company used university findings and years of controlled research studies to develop a mattress that is actually grounded, absorbing your body's electromagnetic energy and providing a night's sleep that is medically proven to reduce stress, anxiety, and even promotes anti-aging properties.

Brickell Mattress offers a complete selection of the finest memory foam, innerspring, air, water and latex mattresses available anywhere. The company also carries an extensive collection of adjustable beds, bedroom furniture, bedding and pillows.
